CAMPUS

LIFE

INTRODUCTION

The Student Handbook highlights the services, support programs, and policies designed to assist you in getting the most from your college experience. The Office of Student Services is staffed by student development professionals who are committed to student growth--physically, emotionally, socially, intellectually and spiritually.

As an educational community seeking to be Christ-centered, policies are designed to create an environment of love and concern for others. Rules are established to foster an atmosphere conducive to study and academic achievement. The Student Judiciary seeks to enforce college policies with patience and firmness directed toward redemption and restoration. Student members of the Judicial Branch are considered officers of the college while serving in this capacity.

The Student Government Association President introduces a section which contains the SGA Constitution. You are strongly encouraged to consider how you can be part of this effective organization. Your contribution is needed and the lessons learned from involvement in student government are invaluable.

STUDENT SERVICES

The Belk Campus Center

The Belk Campus Center is oriented to students' needs--social, academic, and spiritual. Major components of the building which are directly related to extracurricular activities include the mall, lounge areas, the game room, the Cavalier Cafe, and the campus store. The Belk Campus Center also contains an art studio, classrooms, and faculty offices.

Students benefit spiritually from the opportunities for individual and small group prayer and meditation provided by the prayer room. Nearby is a prayer porch overlooking a mountain stream.

The Montreat Campus Store

The campus store is located on the first floor of the Belk Campus Center. Textbooks, supplies, insignia and personal items are available for purchase at reasonable prices. Other auxiliary services are readily available through the store. Hours are posted.

Student Mailboxes/Document Center

Student mailboxes are located in the mall area of the Belk Campus Center. Packages and

registered mail will be handled in the Document Center on the first floor.

Bulletin Boards

Students are encouraged to notice announcements on the bulletin boards in Howerton Dining Hall, Belk Campus Center, and the residence halls. Approval to display notices in the Belk Campus Center and Gaither Hall must be obtained from Student Services. Permission to post notices on the bulletin boards in the residence halls must be approved by the residence director.

Check Cashing Service

Check cashing privileges are available to Montreat students in the business office from 1 - 3 p.m. Monday through Friday. The maximum amount permitted for a personal check is \$25. Checks for a higher amount may be accepted for merchandise in the campus store. The student's address, box number and telephone number must appear on all checks.

Students will receive a \$15 penalty and a letter requesting settlement within three business days for checks returned due to insufficient funds. If the account is not settled within three business days, a hold will be placed on the student's records until both the check and the penalty have been paid. Students who have two or more returned checks will be restricted from cashing checks on campus without specific permission from the Vice President for Business.

The College Chaplain

The college chaplain has the meaningful challenge of involving students in the spiritual life of the campus. The chaplain advises the Student Christian Association, coordinates the weekly chapel program and is also available for individual time with students. The chaplain's office is located on the second floor of Gaither Hall.

The Health Center

The Health Center is located on the first floor of McGregor Hall. The Health Center is open Monday through Friday 8:00 a.m. - 4:30 p.m. Students should come to the Health Center when ill or injured. Emergency medical service is available in the evenings through the residence life staff.

The Health Center encourages and educates students to practice good health habits and adopt positive lifestyles which will help increase good health. Students are encouraged to be actively involved in making positive health choices.

The Health Center will not issue written excuses for classes missed due to illness or injury. Students should understand the absence policies set by their professors and are responsible to their professors for missed classes. The Health Center will notify the Office of Student Services of students who have prolonged illnesses or require hospitalization.

All doctor appointments should be made through the Health Center. The Health Center will refer students to specialists off campus and will assist students in making transportation arrangements. There are charges for off-campus office visits and prescription medications.

The Counseling Center

The Counseling Center is located on the first floor of McGregor Hall and is open Monday through Friday 9 a.m. to 4 p.m. Individual and group counseling is available for persons who are having difficulty with college adjustment, interpersonal relationships, and/or for those who have needs of a therapeutic nature. Group therapy is offered, as needed, for a variety of situations. Students are given the opportunity to participate in personal growth groups. Support groups for off campus and older students are also available.

Drug and Alcohol Abuse Prevention Program

Montreat College encourages any student with a substance abuse and/or dependency problem to contact the college nurse and/or the college counselor. The college provides education and prevention programs concerning the use and abuse of drugs and alcohol. Confidentiality will be maintained. Support groups are available both on and off campus.

The Career Development Office

The Career Development Office is located on the first floor of McGregor Hall. The career library and the career counselor's office are open from 8 a.m. - 4:30 p.m. weekdays.

The Career Development Office offers career guidance through testing, individual counseling, reference/resource materials and special seminars on resumes, job interviews, networking and placement opportunities. Placement services include a local job network board, summer job listings and guides to professional career opportunities.

The career reference library holds current information on graduate schools, professional opportunities, career choices in specific majors, and other relevant career information.

In addition to these services, the Career Development Office hosts a *Career Day* and an *Executive Dinner* in the spring. These special events encourage students to begin the networking process by making contacts, following up on leads and interacting with successful professionals in their fields of study and/or interest.

The Library

The L. Nelson Bell Library provides students with more than half a million volumes locally and through the Mountain College Library Network. Collections include recordings, film strips, videotapes, college catalogs, and current periodicals. COMMUNITY STANDARDS

Standards of Conduct

The trustees, administration, staff, faculty and students seek to be motivated by Christ's love and desire to reflect that love for each other; therefore, we are called upon to practice consideration, fair play and concern in our daily interaction with each other as an expression of our commitment to be a community under the Lordship of Jesus Christ. Love and consideration demand the deliberate consciousness of other people's feelings and an effort to neither hurt nor offend others.

Such high aspirations require frequent reviews of what Christian standards are in social as well as academic areas. They can be reached only when each person in the Montreat College community makes an honest effort to incorporate them into the pattern of daily living.

An obligation to patience and the effort toward redemption is inherent in a Christian community. At the same time, the college reserves the authority to ask those members to withdraw who do not accept the delineation of Christian standards and who are unable to learn to live happily within the framework of its ideals. The college also reserves the right to provide information to dependent students' parents or guardians. This information will be limited to issues related to student health, safety and disciplinary or academic decisions that would jeopardize the student's ability to remain enrolled.

Honor System

Life at Montreat College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are essential to such a community, and it is for these that we strive.

Each student and faculty member has a responsibility for him/herself and for every other member of the college community. The failure of one person to live honorably is, in part, the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college community.

Composed of students and faculty advisors, the Honor Court is principally interested in help for offenders of the honor code, rather than in punishment. Although fellow students might prefer to counsel rather than report those who fail to uphold the honor code, it is important that the responsibility for deciding what is best for the offending student and school rests with the Honor Court, which has been charged with dealing with these issues in the community.

Honor Code

Under the honor code, you, the student, are on your honor not to lie, cheat, steal, gamble and/or plagiarize. If you do, you are on your honor to report yourself within twenty-four hours to a member of the Honor Court. If you see another student lying, cheating, stealing, gambling, and/or plagiarizing, you are on your honor to report him/her with the option of asking him/her to report him/herself to a member of the Honor Court or to report him/her to an employee of the college.

The honor code places upon you a dual responsibility. First, you are responsible to see that you conduct yourself in accordance with the honor code. Second, you are also responsible as far as is possible to see that your fellow students do likewise. This system places considerable responsibility for self government on the students themselves. This college believes that mature students are capable of handling this serious responsibility. You are the governing system and you are responsible for its success.

General Behavior

At Montreat College, the individual is given as much freedom in the exercise of his/her rights and responsibilities as is consistent with the well-being of the entire college community. However, the college reserves the right to discipline any student who refuses to comply with reasonable requests by staff and faculty, violates college regulations, or violates state or federal laws or local ordinances, whether on or off campus.

Policy for Handling Disruptive Behavior in the Library

In support of the institutional purpose and educational programs of Montreat College, the L. Nelson Bell Library will maintain an atmosphere conducive to study, research, and instruction. To ensure that such an atmosphere is maintained, the library staff will enforce this policy for handling disruptive behavior.

Sexual Harassment Policy

Montreat College recognizes the dignity and worth of all humanity as God’s creation in His own image and therefore seeks to maintain a community free of sexual harassment. Sexual harassment is also a violation of the law and grounds for disciplinary action up to and including discharge or suspension. Further, the college does not condone solicitation or threats to bring false accusation of sexual harassment. This policy shall apply with equal force to all students, staff and faculty.

Sexual harassment is generally described as unwelcome sexual advances, requests for sexual

favors, and other verbal or physical conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, academic progress, or completion of a school-related activity; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or in the case of a student, used as the basis for academic decision including, but not limited to the individual's academic evaluation, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work or student's academic performance, or creating an intimidating, hostile, or offensive working or academic environment.

Examples of sexual harassment include, but are not limited to, continued or repeated offensive sexual flirtations, advances or propositions; continued or repeated verbal remarks about an individual's body; sexually degrading words used toward an individual or to describe an individual; and the display of sexually suggestive objects or pictures.

If a student feels he or she has been sexually harassed, the matter should be brought to the dean of students. At this time, the student will be advised and assisted on how to attempt to resolve the matter. If that course fails or if the allegation is against the dean, the complaint should be put in writing and presented to the Student Grievance Committee.

It does not discriminate on the basis of race, disability, military service, color, religion, sex, age, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administrative programs. The college will provide

reasonable accommodations to the known disabilities of otherwise qualified applicants and students. Inquiries should be directed to the Office of Student Services.

AIDS / STD (Sexually Transmitted Disease) Policy

Because of the rapid spread of the AIDS virus, Montreat College may be faced with students and/or employees who contract AIDS, AIDS related diseases and Hepatitis B. To ensure that proper procedures are taken to protect all individuals in the campus community, including the infected person(s), a communicable disease policy has been adopted by Montreat College.

Montreat College would strive to provide appropriate information in order to instruct staff and students regarding the nature of AIDS and Hepatitis B and transmission. Effective educational efforts and the development of a Christian outlook, well in the advance of any possible crisis situation, are the best assurance that an actual crisis will be dealt with lovingly and rationally, but without panic.

Welcome! From the Residence Life Staff

We're glad that you are here at Montreat College. Whether you are just starting your education, transferring from another school or continuing your education, the Residence Life team wants you to feel at home. A part of being comfortable at college is being happy in your residence hall.

This section of the handbook explains residence life at Montreat College. We hope that Montreat College becomes more than just a place to go to school--that it becomes your second home.

Our Commitment

The goal of our residence life program is to be known for one defining characteristic--that each of us would have a **servant's heart** toward others.

"As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the peace through the bond of peace...Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by cunning and craftiness of men in their deceitful scheming. Instead, speaking the truth in love, we will in all things, grow up into Him, who is the Head, that is, Christ. From Him, the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work."

Ephesians 4:1-3, 14-16

Residence Life Staff

To assist residents in developing healthy self-governance, the college provides each residence hall with a residence director (RD), along with several resident assistants (RAs). The residence director lives in the apartment on the first floor. His/her selection is based on qualifications that include a model of Christian character, an ability to administer organizational programs and a pronounced interest in working with college students.

Each residence director is responsible for managing the overall operations of the residence hall, developing and supporting their staff, acting as a liaison between residents and the Student Services staff, and to organizing his/her educational and social programs in the hall.

Resident assistants are selected to work with residents on each floor in the residence hall. They have the meaningful challenge of helping to involve fellow students in a variety of activities and experiences which are designed to make residence living more conducive to healthy growth and development. They are selected on the basis of Christian character, ability to manage their own affairs while helping to organize the affairs of the residence hall, and a demonstrated rapport with fellow students. Resident assistants are available to help residents with personal problems and to offer guidance and support.

Living together always carries a number of responsibilities. Over the years, the Residence Life staff and Montreat College students have found the following procedures to be the best way of providing a quality living community. The Residence Life Staff hopes that student experiences in the residence halls will be founded in faith, demonstrated in love, bound in peace, and evidenced in growth.

Issuance of Keys

Each resident is given a key to his/her room when he/she moves in. To receive a key, the resident must acknowledge receipt of the key in writing. Failure to return the room key or loss of the key will result in a \$5 charge to the student's account.

Residents are encouraged to keep their doors locked at all times when they are away from their rooms. The college is not responsible for the loss or theft of residents' personal belongings. A \$5 fine will be imposed when residence hall staff are asked to open residents' doors with the master key.

Room Furnishings

All residence halls are furnished with single beds, chairs, desks, dressers or drawer space, and clothes closets. Each student must provide his/her own waste baskets, linens, blankets and pillows. Some students find it desirable to also bring a bookcase and a study lamp. Curtains or blinds are provided in each room.

Window dimensions are:

ANDERSON HALL	width 97" x height 57"
*Closets use long curtains that are the size of shower curtains	
MCGREGOR HALL	width 74" x height 62"
DAVIS HALL	width 80" x height 67"
HOWERTON HALL	width 68" x height 61"

Official Breaks of the College

Students are encouraged to check the college calendar regarding the date and time to arrive on campus at the beginning of the fall and spring semesters. There will be a \$25 charge per day if a student arrives early without prior permission. Keys for rooms will not be issued prior to the official opening of the residence halls.

There are several official college breaks when the residence halls are closed. Prior to the beginning of these breaks, the dean of students will set a date and time when the residence halls must be vacated. The official college breaks are: Fall mid-term break, Thanksgiving break, Christmas break, Spring mid-term break.

During these breaks, residents may leave their clothes and personal items in their rooms. Only

residents with official permission from the dean may stay on campus during breaks. At the conclusion of the spring semester, all personal property must be removed from the residence halls.

Private Rooms

Private rooms will cost \$424 per semester above the normal rate for a regular room. A private room is available only on the basis that such rooms exist after all students have been housed. A written request needs to be turned in the residence director.

Room Changes / Consolidation

Room changes are discouraged but may be permitted. A room change request form may be obtained from the Office of Student Services. The resident will then be notified by his/her residence director of the decision concerning the room change.

If during the first week of each semester a student loses his/her roommate and there are other students who have also lost their roommates, the remaining students will be asked to consolidate or they will be charged the private room rate. This creates a standard of equity for those students renting private rooms.

Renter's Insurance

Some students' valuables and belongings are covered for loss and theft by their families' home owner's insurance policy. It is advised that each student inquire as to whether he/she is covered by such a policy. If not, it is highly recommended that a "renter's insurance policy" be purchased through a local insurance company.

Room Decorations

Realizing that residence hall rooms represent the home of the student during his/her stay at the college, students should decorate their rooms in a manner according to the Christian community in which we live. Examples of unacceptable room decorations would include offensive pictures or objects, pictures of illegal drugs or alcoholic beverages, or street signs. With such violations, the residence director will issue a warning for the removal of the material. At that time, the student must remove the material or issue an appeal to the student court.

The residence director must be present to supervise the search of any student's room. Every effort will be made to contact the individual before proceeding into the student's room. At that time a list of rights and receipt for any materials taken will be given.

Visitation

Each residence hall may have up to four visitation events each week for guests of the opposite sex. The following conditions must be met:

1. There must be a 3/4 approval through a secret ballot by residents to adopt visitation days and hours.
2. The hours may not exceed 6 - 11 p.m. weekdays and 2 - 11 p.m. weekends.
3. A sign-in book will be placed in all of the lobbies. When a resident has a guest, that resident must escort the guest from the lobby and remain with guest during the visit. The sign-in book must be signed by both guest and resident, along with the time of visit before entrance into the restricted areas is permitted. When the guest leaves the dorm, the resident must then escort that guest back to the lobby where the guest must sign out and note the time of departure. This resident is responsible for the actions of their guest while they are in the dorm. Guests who are not Montreat College students must leave a picture ID at check-in.
4. Each visitor will enter and leave by the front lobby door.
5. Lobby restrooms are available off each residence hall lobby. Hall bathrooms in Davis may not be used by guests of the opposite sex. Suite mates in Howerton and McGregor will decide if opposite sex guests may use their shared bathrooms.
6. For external security reasons, there **must** be someone manning the desk in order to conduct visitation. If there is no one at the lobby desk, guests may not enter the halls.
7. Excess noise will be monitored by residence hall staff and all residents and guests must comply with any request to reduce the noise level. A second request will result in discontinuation of visitation rights that day for residents and guests involved.
8. Doors must be kept wide open when a guest of the opposite sex is present.
9. Hosts are responsible for the actions of non-student guests.
10. Residents are encouraged to be sensitive and considerate of their roommates when considering participation in visitation.
11. Residents may choose to have up to four visitation events each week, two during the week and two on the weekend or three during the week and one on the weekend.
12. Residents are not permitted to have guests of the opposite sex in their rooms other than during an approved visitation event.

Because the breaching of any of the visitation guidelines is an offense to every member of a particular dorm, the penalties for such an action are as follows: Upon first offense, both the violator and the resident host will be fined \$25 each. The second offense will carry the fine of \$50 to both offending parties. Finally, a third offense will strip both parties of all visiting rights to any of the dorms for the remainder of the year, and referral of such a case to the dean of students for possible suspension.
